

Morocco.com: The Morocco Channel presented by NewMedia Holdings, Inc.

Morocco.com: Morocco Channel

Morocco.com was established in 1995 and was one of the first web sites devoted exclusively to Moroccan travel, business, culture, society, and current events.

Morocco.com is strongly branded in the tourism market as the Morocco Channel, and is visited by thousands of users every day, both local and international, looking for tourism-related information.

Competitive Advantage of Morocco Channel

Most of the hundreds of thousands of annual visitors to Morocco.com are searching for travel, vacation, and tourism related information. Advertising on Morocco.com gets your product or service seen by a focused marketplace of ready, willing and able consumers and reaches the right demographics and highly targeted audiences interested in travel, hospitality, accommodations, entertainment, local activities, and attractions in Morocco.

For 2009, our site attracted more than **1,200,000 visitors** as represented by the following chart:

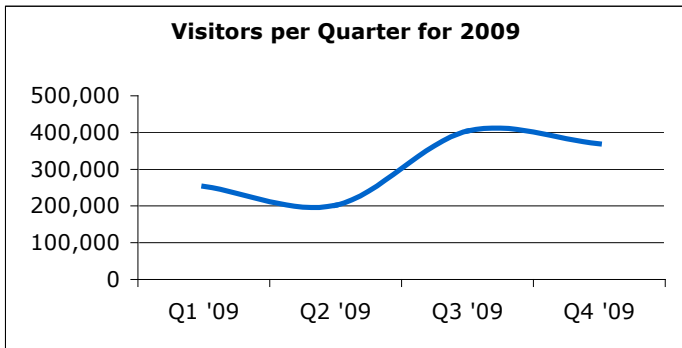

Figure 1: Site Visits per quarter for 2009.

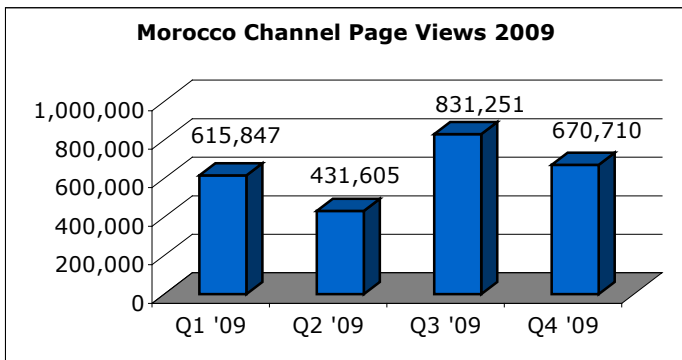

Figure 2: Page Views per quarter for 2009.

Morocco Channel also has a proven record converting hundreds of thousands of visitor searches into paying travel customers.

Our price-comparison travel service allows tourists, business and last-minute travellers and "weekend getaway" seekers to perform searches for availability and prices for hotels, airfare, tours, and car rentals across Morocco.

In 2009, our booking platform performed **451,275 searches** that generated **49,064 leads** for travel companies on Morocco.com.

Figure 3: Travel Customer Leads for 2009.

We have also developed and implemented publishing and social networking features leading to a community of more than **29,778 "opt-in", registered users**, and many of our members have expressed an interest to receive travel and related information from us and we are evaluating ways of delivering special offers and discounts through an alliance with strategic partners in the travel, transportation and hospitality industries.

Morocco Channel manages proprietary travel and tourism directories that feature local establishments such as hotels, restaurants, and tourist attractions in Morocco.

And we offer hundreds of pages of original content that was researched, written and reviewed by our editorial staff. Content is updated weekly and presented in the form of Featured Articles and Travel Blogs.
